

# Engage In Your Education

The **Engage in Your Education** worksheet will help you connect your classroom education with real world experiences.

This is your opportunity to apply your classroom experiences to real world experiences. There are many employers in Nebraska who are actively seeking interns for a variety of opportunities. Take some time to explore the page and create both your NEworks and InternNe account. Both NEworks and InternNe list active internships!! Aim for one or two internship experiences during your time at MCC.

Step 3 provides information on preparing for interviews with potential employers. Check out [nelearn.nebraska.gov](http://nelearn.nebraska.gov) for more information!

**Step 1.** Did you create an **InternNE** account? \_\_\_

- If yes, what is your username? \_\_\_\_\_
- If no, and you are a current MCC student, create your **InternNE** account:

## **Students:**

Step 1: Create an account on InternNE.com

Step 2: Log in and finish filling out your Profile

Step 3: Be sure to also select that you are an **MCC student** on your **Academic Profile**

Step 4: Create and Upload a resume

Step 5: Begin searching and applying for paid internships!
