

Film & Video Editors

Also called: Editor, News Editor, Video Editor, Videographer

What they do:

Edit moving images on film, video, or other media. May edit or synchronize soundtracks with images.

On the job, you would:

- Organize and string together raw footage into a continuous whole according to scripts or the instructions of directors and producers.
- Review assembled films or edited videotapes on screens or monitors to determine if corrections are necessary.
- Trim film segments to specified lengths and reassemble segments in sequences that present stories with maximum effect.
