## About the PUA Portal for Claimants

Pandemic Unemployment Assistance (PUA) is a federal program that provides payment to workers not traditionally eligible for unemployment benefits (self-employed, independent contractors, workers with limited work history, and others) who are unable to work as a direct result of the coronavirus public health emergency.

► **The steps you will take to file a PUA claim and receive weekly benefits are:**

- 1 Register to create your account in the Pandemic Unemployment Assistance (PUA) Portal.
- 2 File your initial PUA claim.
- 3 As early as the coming Sunday, submit your weekly claim certification (some states only require bi-weekly claim certification).

 *If you require assistance with registering, filing your claim, or doing weekly certifications, contact staff at your local unemployment office, as they are able to perform all these activities in the system on your behalf.*

## Registering and Filing Your Initial PUA Claim

A guided wizard will walk you through the steps to register an account in the system and file an initial PUA claim. The basic steps are to:

- 1 Enter your Social Security Number to determine your eligibility to file a PUA claim.
- 2 Complete a multi-page registration form to create your system account.
- 3 Enter your work history.
- 4 Receive certification confirmation.
- 5 Complete the claim filing process by acknowledging your rights and responsibilities.

 *This is a multi-page registration/claim form and you will need to have all your personal contact information available, as well as education, earnings, and work history information. This process is best completed in a single session; however, if that is not possible, when you log back in to the system, you will be able to complete the registration and filing process. To restart the registration/claim wizard, simply select **Unemployment Services** ► **File a Claim** from the left navigation menu.*

*The questions and screens that appear during registration and claim filing differ from state to state; your procedures may vary somewhat from what is presented here.*

► **To register your account and file your initial PUA claim:**

- 1 Access your state’s UI home page as directed by your local unemployment agency. A splash page will display.

*Splash Page*

- 2 Click the **Unemployment** link (see figure above) and follow the prompts to File a Claim.
